Dear Ballet RI Families,

We are thrilled to be taking to the stage again! Attached you will find **the final packet for Culmination 2023**. Hard copies of this information are available at the front desk and PDFs will be available on the [Student Studio](#) page of our website.

The Culmination Performance is a very special time for our students, families and friends. And though it is one of the most exciting and rewarding parts of a child’s dance education, taking part requires a certain amount of extra time and commitment. **One very important way to help your children prepare for this performance is to be sure that they attend each and every class for the remainder of the year as well as all of the upcoming rehearsals.**
